UCP TRANSITIONAL LEARNING ACADEMY (TLA)

Thanks so much for your interest in potentially enrolling your child at UCP Charter Schools! We are excited to begin working with you and your child.

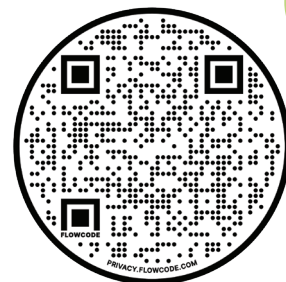

As a reminder - we have priority enrollment for the new school year between January 1 and March 1st and then have open enrollment based on availability after that date. Please keep in mind that not all of our schools serve the same type of programs/grades.

1. Review our website to learn more about UCP Charter Schools and our campuses: ucpcharter.org.

- Also watch our Webinar to get answers to Frequently Asked Questions: <https://bit.ly/UCP-InfoWebinar>

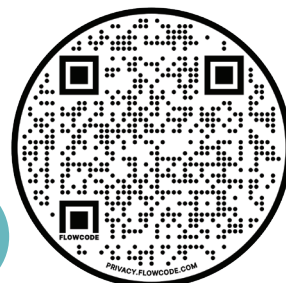

2. Complete our Interest Form:

<https://bit.ly/UCPTLA-Interest2023> or use the QR code and send a copy of your child's IEP/IFSP to the Intake Team:

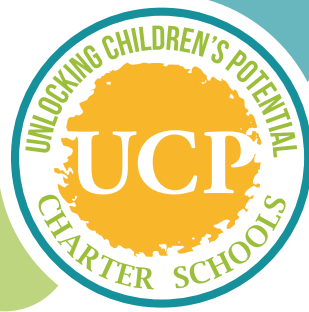

3. After you submit your Interest Form: you will be invited to attend a tour or open house with your child so you have an opportunity to ask questions and determine if UCP Charter Schools is the best fit for your child's needs.

4. If interested in moving forward: complete a formal application and create a Brightwheel Account for your child at <https://bit.ly/ucp-brightwheel-login> or use the QR code

5. If there is space for your student(s) based on their age/grade and program needs: the school will offer your child a spot. You will be asked to accept the space within 3 days and submit the remainder of the paperwork within 2 weeks to hold your spot. The requested paperwork will come via Brightwheel so look for it there. *If you do not timely accept/return the materials - your student's space will be offered to the next child.*

6. Back to School: All paperwork needs to be submitted before a child can start the first day of school. Parents will be asked to submit various Back to School forms before the first day of school. These also will be requested via Brightwheel.
